

Give Transportation History a Future

SOUTHERN ARIZONA TRANSPORTATION MUSEUM

Dedicated to Education,
Research and Preservation.

A NONPROFIT ORGANIZATION

The purpose of the Southern Arizona Transportation Museum exists to collect, preserve, exhibit, and interpret the history of transportation in Southern Arizona with a focus on the Historic Depot and the displayed Locomotive #1673 for the education, enjoyment and entertainment of a diverse audience.

SUPPORTED BY

Volunteers, memberships and contributions (donations, grants, bequests, legacies, transfers, and gifts) are the only sustainable basis of the museum. The museum is a **free admission museum** and we maintain low cost educational programs. The Museum is tax exempt under the museum division of our parent organization, Old Pueblo Trolley, Inc, under section 501(c)(3) of the Internal Revenue Code.

COMMUNITY OUTREACH

A pioneer in transportation history in Tucson, the Southern Arizona Transportation Museum offers tours of the entire Depot site, as well as seasonal historic downtown walking tours. The museum also hosts a variety of special events, an annual holiday event, lecture series, anniversary celebrations and other enrichment programs. Currently the museum offers youth tours including a train safety program. The museum has active oral history and collections departments whose goals are to record oral histories of railroaders and to collect and preserve Southern Arizona artifacts relating to transportation.
